

## Ada Iris Cruz Pupo

April 26, 1963 - October 25, 2013

Born in a small city of Holguin, Cuba on April 26, 1963 Ada Iris Cruz Pupo began her journey at the age of 16 which is when she met her first boyfriend. They decided to leave Cuba and go to the United States in 1979. They started their new life in the state of California where they conceived their first child, Tania. In hopes of a better life she decided to move to Massachusetts where she gave birth to her other five children Luis, Jeime, Francisco, Jonathan and Anthony. Although she sacrificed herself to give her children the best life possible things did not go as planned so she moved to Florida where she resided for the rest of her life. Ada passed peacefully at her resident in Miami, Florida on October 25th, 2013. We hope that she will watch over her children and her grandchildren, Mel, Luis, Hector Jr., Quelina, Leah, Andre and Jonell. Ada Iris Cruz Pupo will be deeply missed by family and host of friend .

Resting at the Wilcox Family Funeral Home.

“ *A Better Place*

*Why am I crying? Why do I feel so alone? You left me now  
To find a far better home. It's a gentle journey... A soft breeze on your sail,  
To a place where fears and worries no longer prevail. It's a warm island in  
the sun where we all someday hope to be with the Lord whom we  
love and with all of our family. I beg the Lord each night in prayer  
to take away my sorrow. I pray he'll hear my cries at night, and help me  
through tomorrow. I will always think of you, as each day appears. My  
sorrow will softly lessen, and gone will be the tears. But my love will  
continue, as each year goes by. And I will wait for my calling to once  
again be by your side.*

*Mom i love u with all my heart and miss you dearly...*
