“ *My heart is truly aching. There will be another Angel in Heaven. Anita, you've been through so much and each illness that hit you, you fought hard and overcame it with a smile on your face. We were looking forward to your coming home for which we were going to have a gigantic celebration! I will miss you so much, your humor, your kindness, your antics, your generosity. You always kept me in stitches, and I will never forget the fun times we had together. I still can't believe you are no longer with us. Our holidays will never be the same without you. My heart is broken.*

“ I met Anita not knowing she was related to Gina. I use to be a bartender at Rollo's near Williamson Cadillac and Sun Chevrolet. I just started working the daytime shift, as I was originally hired to work nights, which I did for 8 years.

Working the daytime shift at Rollo's, I was fortunate enough to make friends with the crews that worked at these two dealerships.

I met Bob Duncan, who is now my husband going on 40 years this October. And Frankie and Gina, Henry Sparrer and tons of others. They were a bunch of crazy fun people.

After I left Rollo's, I worked for the USPS, as a Special Delivery Messenger. I delivered Express mail the way FedX and UPS did. I had a different route everyday.

One day, I met Anita working at some company. I don't recall the name since it's been over 32 years ago. We got to talking and I noticed on her name tag Dela Savia. I had mentioned then that I knew some people with the same last name.

I mentioned Gina and Frankie's name and she starts laughing. She proceeds to tell me that Gina was her sister and Frankie her cousin. After that we just gabbed a lot about her mom and dad, as I met them also.

This first meeting turned into a nice friendship.

Anita will be sadly missed. She was beautiful, fun, pleasant person to be around. Always enjoyed her company and wonderful conversations. It's been a couple of years since I last saw her at her parent's old home.

My memory of her will forever be in my heart.

R.I.P. beautiful lady. 🙏❤️🥺

“ Anita was so fortunate to have such a wonderful family and a wonderful sister (Gina) whom I had the pleasure meeting to take good care of her. She was not only my patient but became a Dear friend. She had a heart of Gold and the laughs we shared will never be forgotten. I'm going to miss her dearly but I know she's in a place we will all go to live together again free from all the pain. 🙏
Thank you Gina for the picture of the 2 of you. I will cherish it forever!
Our grief is still our love. It doesn't go away. And I'm sure she still receives it wherever she is now. ❤️🙏

God Bless you all,
Renee
