“ *Sincere condolences to Mr. Dean's family during their time of loss. He was so very devoted to working at Lindsey Hopkins. So "retirement" didn't seem an option for him anytime soon. May his soul rest in peace.*

“ *Mr Dean was known as one of the sharpest dressing men at Lindsey Hopkins Technical College. I came to know him during the COVID closure, working along side of him with his online classes. He is one of a kind with a bold persona, yet calm demeanor. Needless to say, his retirement and death were both a shock. This is the last picture I took of him and another coworker during one of South Florida cold mornings (January 25, 2022)*
