April 23, 1933 - February 26, 2018

To Mom,

You taught us love, and how to be strong and fight. You gave us strength. You gave us might. A stronger person would be hard to find. In your heart, you showed us how to be kind. For all of us, you gave your best. Now it is your time to peacefully rest. So go in peace, you have earned your sleep. Your love in our hearts, we will eternally keep.

“ *Hello I know you don't know me but i wanted to offer my condolences to you and your family . Here i have attached a short video that has given me hope and comfort during the times I have lost loved ones in death. I hope this as much comfort to you as it did to my family and I.*
