“ *Chuck, you will be missed. We had some good times on vacation. You are leaving this world to rest in peace as part of Gods plan. You guided your kids in being successful and now from heaven you will continue to see them and the grandkids grow. Farewell my friend.*

“ *Mary and Kids: We know that losing Chuck has left an empty space in your hearts but you all have wonderful memories to fill that space. Always remember that Chuck loved each and every one of you in a very special way, and he always carried you with him in his heart even though distance sometimes kept you apart. I know that David and I will miss Chuck in a very special way; he was a dear and devoted friend. Love to all and God Bless!*

“ Chuck,  
I will always remember our talks, I always thought of you like an older brother. I am grateful for the discipline you instilled in Billy while I was deployed. Go with God, RIP, I love you.
