“ *I only knew Chelin for a short time at Dr. Canos office but enjoyed when she came in. She was a sweet heart and I will miss seeing her beautiful smile.. my deepest sympathy.*

“ To the family of Chelin-I know these times are hard but please keep those fond memories close to your heart and think of Chelin (as your Mom, Sister, or Grandma) often.

*I want to share with you a little something. In March 2008, I began working across from Chelin in the office. She and I became good friends and colleagues. As we grew closer, I realized how Chelin spoke like an arrow-straight and to the point. I leaned on her for personal and professional advice because she had experienced so much in her life and shared her wisdom with others. I can tell you that I didn't always agree with Chelin, but more times than not, she was right.*

*One day I went into the office coat closet and there on a hanger was a sticker with the words "Chelin". I guess she always wanted to have a place to hang her coat. When Chelin left the office on her last day, I took over her hanger and I use it to hang my coat.*

*Whether I walk into the coat closet or not, I will always remember Chelin--her friendship, her honesty, her laughter, and that smile. She has made a lasting impression on my heart and I will never forget her.*

*Deb*

“ I am so sorry for your loss. I was going to send a condolence sooner, but every time I went on this Web Site and saw her face, it made me too sad to type. I can't even imagine what you must be going through. As mothers and grandmothers, Chelin and I shared a lot of stories and I can tell you that she loved and worried about her children and grandchildren daily. I know she was always looking for ways to do more for all of you. You have my deepest, deepest sympathy for your loss.

“ Chelin was very friendly and always had a smile on her face. Although I didn't work with her directly, she was very helpful and kind when I called upon her for assistance. This is a big loss for the family and my heart and prayers are with her loved ones. Please accept my sincerest condolence to her beloved family. And may God take her into his loving arms and may the blessings of God be upon you!

“ Chelin, you were the most selfless person I have ever met. You always gave of yourself, never expecting anything in return. I am so proud you were part of my family and I will never forget you. I know you are at peace now and enjoying your new freedom. You were my best friend. God loves you.

“ *Chelin was a dear friend and colleague. We quickly became close friends because her excellent skills and professional demeanor made working with Chelin a joy and pleasure. Chelin was always generous with her time, guidance, assistance, honesty, and laughter. It is easy to say she was the best co-worker I've ever had and my admiration of her grew into friendship. We shared our joys, disappointments (in ourselves and others), laughter, fears and tears.*

*Eighteen months ago I missed a scheduled visit to see Chelin in her new Florida home when my sister passed away suddenly; we put it off ... to someday soon. I'm very happy that I was able to visit with her a few weeks ago . She was so strong and brave. Chelin was a wonderful woman who I loved dearly and will miss the rest of my life.*

*More than anything, Chelin loved and was proud of her children, grandchildren and dear sister. I send her beloved family my deepest sympathy for your loss. Elise*
