“ *First of all, my deepest condolences to the Brau family.*

Chris was my longtime love in the 80's going into the 90's. I will never forget him, he was definitely the love of my life. He was a very loving, sensitive and funny guy. He always said "enjoy it".....I will always remember his words and beautiful smile. He will forever be in my heart.

Dolly Deanne Adams Ponce AKA "Bones" as he affectionately called me.
