“ *Chris, you were a great man and person. They say God plucks the beautiful flowers for his personal garden early. Although we will miss you, we know you are in the father's presence and his garden is truly more beautiful than ever now that you're there. RIP my brother.*

“ *Chris always had a smile and a kind word no matter how busy his workload seemed to be. He greeted everyone by name and radiated a gentleness that was so refreshing in today's hectic and rushed society. We will miss him. My prayers will continue for his loved ones. It was an honor to know him.*
