

## Danny Duval

July 7, 1966 - April 13, 2025

In Loving Memory of Danny Duval

July 7, 1966 – April 13, 2025

It is with deep sadness and heavy hearts that we announce the passing of Danny Duval, who left us on April 13, 2025, at the age of 58.

Born in Miami, Florida, Danny was the beloved son of Phyllis and Albert Duval, devoted brother to Ken Duval, and proud father of Max Duval, whom he cherished above all.

Danny lived a life defined by service, strength, and love. He was a United States Marine, a title he carried with pride and honor. His passion for flight led him to pursue aviation later in life, ultimately fulfilling his dream of becoming a pilot.

A true athlete, Danny pushed himself both physically and mentally. He competed in numerous endurance events, including Ironman races, and counted his completion of the Ironman World Championship in Kona, Hawaii, as one of his greatest personal achievements.

In every role—father, Marine, pilot, athlete, coach, and friend—Danny inspired those around him with his determination, integrity, and heart. His legacy lives

on through his son Max and in the many lives he touched along the way.

A memorial service will be May 16th 2 pm. Danny will be laid to rest at the South Florida National Cemetery in West Palm Beach.

In lieu of flowers, the family kindly asks that donations be made to Dan's GoFundMe page to assist with funeral expenses and support Max's education.

Danny's spirit will forever soar in the skies he loved and in the hearts of all who knew him.
