“ *Martica, Alba y familia, que pena que no pude estar con ustedes anoche pero quiero que sepan que estuve de todo corazón. Siento mucho la pérdida de Emmanuel. Que Dios les de mucha fuerza ahora y que con el tiempo solo piensen en los buenos momentos que pasaron con Emmanuel. Un abrazo fuerte para todos, Paulita y familia*

“ Ay Manny I only knew you briefly but you left a big impact on me. We had planned to hang out sometime pero ahora que hago? Imma miss your voice and your laughter, I never saw you without a smile on your face. Always had me grinning from ear to ear after spending time with you. Always a gentleman. I miss you already 💔

“ Los momentos mas tristes de una persona es perder aun ser querido y es que en esta vida nadie puede remplazarlo, pero ten presente que este hijo siempre te mira y siempre esta cuidando de ti y de tu familia. Mi mas sentido pesame para todos.

“Manny... oh man, I met manny in real estate school and we instantly became super close friends, he was family to me, a big brother. I don't ever remember being around manny and ever feeling sad because he always lit up the room with his adorable personality and way of being. His teddy bear hugs were the most comforting, and he was always there when I needed him. We never lost touch after we stopped real estate school, in fact we became closer and managed to form a friend group where till this day we still stay in touch. Manny was a good guy, he was always looking out for others and I rarely saw him without a smile on his face even when going through some difficult times. We shared some memories I'll never forget. And I'll hold deep in my heart forever. I'll miss you so much manny. I'm thankful to have met you and had you in my life.
