“ *Life is truly a journey! We look up to our mothers with joy and hope while growing up...We look down with sadness and regrets as mother lays still in repose when God calls her home wondering what we could have said and what we could have done better!*

Just remember; Mother's love always lives on for eternity and realize how important and how much value mothers add to our lives once gone. Words, thoughts, and actions just does not mean the same once departed and God has called her home...

Mother has now become our favorite brightest star and our guardian angel yet still leaving us all with a heavy heart. There's never truly a good time to say goodbye...but will be forever live in our hearts and in our minds.

In addition...Those gone have left an undeniable mark on our lives and to the world known to us today. Whether some cut short in their prime while others led long, fulfilled lives before leaving this mortal coil!

Hence; All have one thing in common: They will be missed! Rest In Peace tante Cocotte with love- Rachel

“ *Dear Kimmy, Maggy, Tico, Edwige and Patty, my deepest condolences to all of you during this time. Your mom was an amazing woman. Her laughter, kindness and caring nature was contagious and her memory will live on forever. I will always remember the special times your mom and I spent together in Boston, Haiti and Florida. She was one of my dearest aunts and she will be missed. Remember this..."A mother is always with us, first in her lifetime, then forever in our memory." Pif, we know you'd be with us today if heaven wasn't so far away. May the Lord grant you all peace and comfort through these painful times. Your mom will always be with you. ❤️ Jertie*
