“Habibty Gehan, you were a big treasure to me. You were a living, walking example of the Bible. Every time we were together, I could see how virtuous you were. I will never forget how you stood by me during all the critical times in my life. I enjoyed every moment I spent with you, whether local or on trips, where we had deep discussions, where your wisdom shined, and your broad mind was apparent in every aspect of life. I learned so much from your kindness, humility, and practical way of living. I would long every week to meet on our day off to do something different together; we always enjoyed our time together. The conversations never ended, especially in parking lots of any restaurants. You were a big important part of my life. You did a wonderful job raising your 3 girls, Jolly, Maryam, and Christina and you were a wonderful wife to George who I send my condolences to and pray to God that He sends His comfort and peace into their hearts. Gehan, you are a big loss to me. My only comfort is that you made it to heaven, and you are resting now among the saints. Please remember us in front of the throne of God. I love you, and I will miss you more than words can say. May God repose your sweet soul in heaven.
