“ *Hal was very instrumental in my upbringing. He planted the seed of college, always reminding there are so many opportunities in this world and to make sure I take advantage of them. He taught me to not be afraid to be the smartest person in the room and not to feel intimidated when I wasn't, we are always students of life. That's something him and my mom taught me. I will miss Hal terribly but I am so blessed I got to know him.*
