“ *Football season this year is going to be so hard for me. Me being a Dolphins fan and of course Huggy being a Jets fan, we so looked forward to smack talking each other! Not in a bad way, just poking fun at which one our teams sucked the most! Football season will never be the same for me again. But when I watch a Jets game, I'll be rooting for them Huggy! Unless they're playing the Dolphins! Going to miss you my Huggy bear rip my friend, I'm going to miss you dearly and always keep my memories of you in my heart forever x*

“ Grateful for all the friends who were there for my uncle in his last days. He didn't die alone. I'll always remember his smile and welcoming and loving spirit. Every time I was with him he made me feel very loved and wanted and special. Love you Huggy
