“ *Jim and I were close friends in High School and remained so afterwards. Even after I married and moved across the state, we would often meet up when I visited my parents in Miami, and we exchanged Christmas cards up until a few years ago. Some fond memories were made while working the race track at Sebring and while visiting him at his brother Jerry's house on Lake Istokpoga. Mary and I send heartfelt condolences to his family members.*

Jim

I'm so sorry I'm just finding this out 😞

Jim was my supervisor at Aventura Animal Hospital for 12 great years he was not only my supervisor but Jim was also like a father figure to me throughout all the years working together we had a strong bond. He was always a shoulder to cry on and he would listen to me vent and would give me such great advice not only was he a great boss but an amazing person with a huge heart I will never forget all the good and bad times at the hospital and will miss all your stories about Desert storm and how we use to joke around and you would get in the dogs cage and scare me. Thanks for always being there when i needed a shoulder I will miss our phone conversations about all the things.

Rest easy Jimbo
