PERSONAL BACKGROUND

Joe grew up a native of South Florida enjoying the beautiful ocean and sunshine, which naturally led him to love surfing as an young man, and fishing later in life.

His love of the outdoors was also expressed throughout his life, like riding his horses through the trails, taking his children and dogs to the lake in his pick-up truck, and owing a gorgeous piece of rural property in Florida's "cow-country".

Joe lived with a strong will and free spirit, being a true example of someone who "did it my way".

His fierce loyalty ran deep throughout his being. He expressed this every day as a faithful husband of 30 years, sticking with the Miami Dolphins through good and bad seasons, and drinking the same brand of beer his whole life.
