“ *Sorry to Hear of Josmans passing. You were a hard worker, and a good man. Many days at the Clinic with Jose, you had us in tears laughing. Go with God And Fly with the angels. You will be remembered by Your brothers of local 17.*

“ *It is impossible to fathom the depth of such a loss....My heartiest condolence and all I can wish that god give strength to the family. As extended friends and family we are here to lend our hand. The memories of his joyful life will definitely light up during this phase and he would shower his love from heaven.*

“ *Tu partida me ah dejado con dias grises, y la tristeza es la carga más pesada que puedas llevar, sobre todo si está llena de un montón de recuerdos alegres, esos recuerdos tan alegres y unicos como solo lo eras tu , un ser de luz , que alegraba a todos y cada lugar donde ivas ! Aprendere a vivir con tu recuerdo y con todas esas vivencias que tuvimos cuando eramos esos ni~os rebeldes....Cuida de mi familia y algun dia nos volveremos a encontrar , mientras tanto descansa en paz mi primo !*

“ Bro,

*I can't believe that we've lost you. We had so many plans for the future.*

*Your love for the water brought us all together, and your passion for adventure, food, fun times, and above all - zest for life, bonded us and at times made us inseparable.*

*I think back to all the fun memories we had - paddling, rock climbing, meal times and get-togethers, trekking to Green Sand Beach (my favorite), and just shooting the breeze, and it's so hard knowing that we won't see you or hear your voice again.*

*Our Pena, our Wednesday, and our brother.*

*May you rest in peace, soar with the angels, and hey. . .do me a favor if you have some extra time up there? Watch over us - we've lost a man, and Heaven gained another pair of wings, but we still need to know that you're among us as we try to come to terms with this tragic loss.*

“ Thinking of you, Josman. Your laughter, smile, and all the good times we shared together. I will never forget the light that you brought into our lives, especially the light in Kalena. We feel very lucky to have had him in our lives and will miss him very much. Although we are sending our thoughts across the miles, our heartfelt thoughts and prayers go out to Josman's family and friends. Words cannot express our disbelief knowing that he is no longer with us. -K & k
