“ I Israel have had great times with my Uncle Johnny. Having only 2 Uncles on my Mother side as a young man they would often Congregate at our family house and share musical moments. Picking up shakers, Tambourins, 10 string guitars, Etc, They would catch me and my father in his room Me with a pot to beat on and him with his Guitar. If they werent doing music Uncle Johnny and the other elders would have a fierce Domino Game going On. If not that they would ever once in a while do a hot pepper challenge straight out the backyard. plenty of laughable moments i will always cherish... A traveling Fishing Uncle that we all loved the same! "Rest In Peace Unc".....
