“ *He was a loving caring helpful funny uncle. But everyone can agree with me that he had a heart of gold. I'm hoping he's looking down on me.*

“ It was good times growing up across the street from Kenny. I have such great memories of hanging out, playing spades, skipping school, Kenny doing his best Jam Pony to a little radio w/ cassette tape! He was actually really good at it! Sometimes Johnny would get sick of us and we'd get kicked across the street to the green box, walking EVERY where, up to Brunswick to play the Jukebox! He was always cracking jokes & making everyone laugh. I also had the pleasure of seeing Kenny's spiritual side. When he was with Tina, we all used to go to Calvary on Wens nights. I know I'll see him again one day because he got to know and love Jesus. Until then may he rest in peace 🙏

“ Kenny you were my very first friend I can remember from Winfield. Even when I moved away we kept in touch. I will always remember the time you got me to jump from the bridge into the canal on our way home from elementary school. I got into so much trouble for that. 😂 there are so many memories. Rest easy bro

“ The thing I remember most about Kenny is he was always smiling, no matter what was going on. He was always smiling and seemed very happy. He also loved his boys very very much. Family meant a lot to him. That is what I'll always remember about Kenny. Great guy, RIP see you again some day.

“ Dear Kenny , just this past year you've comforted me and my family when we lost Shell . Took time out to be with us and to spend time with the kids . That was very special and I'm glad the kids got to be with their uncle Kenny and it just shows how big your heart was. Thank you for giving me two of the best boys a mother could ask for. Now look after my sis and watch over our boys. We love you always and forever.
