“ *Marvin, I will forever remember our summers in PR. The fun, laughter and family time were things I looked forward to year after year. Life and adulthood created distance however, the memories remain. So happy I had the opportunity to talk to you recently. You made the Santana's proud. An incredible son, husband and father. God gained a beautiful soul. May you sleep in peace. I'm sure my grandfather was there to receive you. Love you cuz! This world is a better place because you graced it. Your family in New York are thinking and praying for you and your family. Our deepest condolences to your beautiful wife and children. God Bless always.*

*Love your cousin,
