“ Mom,

I miss you so much. How I wish that was you at the bus stop bench that night. But now I realize that you led us there to find you the real you. You didn't deserve this, and I promise you I will find the person that did. But I want to remember the good times instead when we would ride the car and sing to Selena or when you'd drink Frappes from McDs and start coughing cause it was too cold. You were unique one of a kind and angel. And know you're watching over us. We love you eternally, Christian Heidi Nate JuJu Sophie and Tiny (how you used to call her).
