“ *It's very hard to lose someone so dear to you, and in the first year it is especially hard.*

We lost Oscar's mom to this, and it is hard I know to get by in the first year.

I was glad to see you at the walk, and I hope to see you all there again next year. Hopefully a cure will be found in the very near future.

“ To Michele's family,
I am so sorry for your loss. please accept my condolences I want to share comfort from the scriptures that gives us comfort in our tribulation Romans 15:4 tells us that all things written a fore time were written for our instruction that we may have comfort. When Jesus was here on earth he cured the sick and resurrected the dead even his good friend Lazarus who was in the grave for 4 days he resurrected He did these things to show us that soon he will act as king of Gods

kingdom and bring back paradise conditions on the earth and we will live forever with those that we loved that have passed away, and as rev21:3 and 4 tells us that there will be no more pain no sorrow nor death and God himself will wipe out every tear from their eyes. You are in my thoughts and prayers

“ Words alone could never convey the depth of my sorrow for the loss of Michele. Michele was one of those rare persons who have principles which were not merely spoken but executed! She had the courage of her own conviction and was a truly altruistic woman. I was so very blessed and honored to spend time with Michele these past few years. When we realized it was almost her time, I was so distraught that I would be losing a cherished friend. Then I realized that although I could no longer hold her hand, she would forever hold my heart. "When someone you love becomes a memory, the memory becomes a treasure". Steve, Laura and Jeannine, Whatever your journeys in life, always remember you will never walk alone.
