

Monica Josephine Jamieson Brown

December 18, 1950 - April 7, 2021

Monica Josephine Jamieson Brown was born on December 18th, 1950, to parents Ida Johnson Jamieson and Harold Jamieson in Westmoreland, Jamaica. She attended the Chantilly Secondary School and then advanced to the prominent Shortwood Teacher's College to enter the noble teaching profession. Her educational philosophy was, "Education is the vehicle for upward mobility and progress". She was a graduate of Northern Caribbean University where she earned her Bachelor's in education, and a second Bachelor of Science Degree in Counseling, and a Master's in Psychology & Counseling. Prior to migrating to the United States, Monica taught at Mt. Salem Primary & Junior High School in Montego-Bay Jamaica, where she dedicated 36 years to the field of education. On transitioning to the United States, she continued to inspire, impact and influence youth when she joined the Fraternity of Broward County Public Schools.

Monica was raised in the Salvation Army Church. During her adult life, she became a serving member at the Calvary Baptist Church, in Montego-Bay Jamaica. She then moved on to Bogue- Hill Baptist; a satellite church established by Calvary Baptist. In 2007, Monica migrated to Florida, she then became a serving member of Christ the Rock Community Church, in Cooper City.

Monica had a wide array of interests; however, she enjoyed international

travel. Her many adventures and missionary work took her to Botswana Africa, Brisbane Australia, Northern Ireland, England, France, Canada, and Singapore.

Monica departed this life and went home to be with the Lord on, Wednesday, April 7th, 2021. She was preceded in death by her husband, Dr. Ivan Cyril Brown.

She is survived by; (Daughter) Sophia, (Son) Shawn, (Son-In-law) Jack, (Daughter-in-law) Shyann, (Grandson) Jordon (Granddaughter) Madison (Granddaughter) Leah; (Sister) Gwendolyn, (Niece) Shantel, (Niece) Denise, and a whole host of nephews, friends, esteemed colleagues, and acquaintances.

Make a Charitable Donation to Bogue Hill Baptist Youth Program, or Purchase Flowers

Our dearly departed Monica Brown was a staunch supporter of educational initiatives. She believed that if we support youth, it will serve to maximize their potential.

The Brown family in honor of their mother would like to urge you to make a charitable donation to the youth program at the Bogue Hill Baptist Church in Montego-Bay, Jamaica. A cause that was near, and dear to her heart.

The proceeds will be earmarked to purchase school supplies for the upcoming 2021-2022 school year. While funding an afterschool homework help program; geared to helping students develop and foster self-discipline, character education, leadership, and study skills; needed to help close the achievement

gap, while helping youth members of the church advance to the next grade level.

The Brown's family and the Pastoral team of the Bogue Hill Baptist Church thank you in advance, for your charitable donation.

For over 4 decades we created a love-love relationship. You loved as deeply and daringly as you lived your life....always filled with gratitude. Your sense of humor was understated. Your love for your adopted family...the Browns was felt and experienced by all who had the privilege of entering into your reach and space.

We have laughed together

We have cried together

Yes, there were times when you forced to smile through your pain, but nonetheless our interactions were always so endearing and amazing.

My sister, I will miss you as much as I have loved you. It's that same love that I release you into the arms of your Saviour.

I know there is jubilation in Heaven the day you were ushered in.

I still stare at your photos in disbelief that you are no longer on this side. You have fought long and hard, but now you must rest in peace.

Give big Bro a loving hug from me. Perpetual light will shine on you forever.💕

With much love

Prudence💕💕💕💕

I am Michael Ambersley, the cousin of Monica brown. We went to school together in the early years (1956-1961). We romped, joked and got up to all kinds of mischief at home and at school. She was fun loving, dress and shoes loving and high spirited; I remember she would even fight for me in the school playground. In later life, we enjoyed unforgettable vacations together with my wife Monica Ambersley and our respective families both in the UK and in Jamaica. The fighting spirit that Monica possessed would serve her well when she had to care for and accompany her husband Police Ivan Brown backwards and forwards to the UK for medical treatment and his rehabilitation following an assault during his line of duty, resulting in severing of both his arms.

Monica also suffered from cancer and was subjected to breast and opened heart surgery. Having gotten over all the extremes of her medical struggles, it was devastating to learn that she met her demise due to COVID-19.

Our condolences to Monica's Son Shawn and Daughter Sophia; may the memories of the happy and joyful times spent with your mother remain with you and help to comfort you and all your family in this time of grief. Do not despair, because the everlasting life (DNA) of your mother is still here and will continue in many lives. She is one of the ancestors that lives on in you, your children and their children into the future.

Our tribute to my dear Cousin Monica Brown is summarized in the poem "ALL IS WELL" - by Henry Scott-Holland

*Death is nothing at all.
I have only slipped away into the next room.
I am I, and you are you.
Whatever we were to each other, that we still are.
Call me by my old familiar name,
Speak to me in the easy way which you always used.
Put no difference in your tone,
Wear no forced air of solemnity or sorrow.
Laugh as we always laughed at the little jokes we enjoyed together.
Play, smile, think of me and if you want to, pray for me.
Let my name be ever the household word that it always was,
Let it be spoken without effect,
Without the trace of a shadow on it.
Life means all that it ever meant.
It is the same as it ever was;
There is unbroken continuity.
Why should I be out of mind because I am out of sight?
I am waiting for you,
For an interval,*

*Somewhere very near,
Just around the corner.
All is well
Love always Michael and Monica Ambersley.*

“ *Tribute to Dr. Monica Brown from Fay Brissett.*

Mrs. Brown was an educator, a friend, and a colleague to me. Monica was an extraordinary person. I met Monica when I joined the staff of the Mt. Salem Primary and Junior High School, over 27 years ago. She was a people person, very caring and loving. She would always walk around to greet as many persons as she could before her class started. I can still remember her calling out to me, 'Brissett yuh alright?' I would answer, 'Yes Mrs. Brown i am good.' Then she would enquire if the rest of the family is doing well. Then she would say, 'Say hello to them for me.'

Mrs. Brown was very fearless too. I remember an incident that took place just after school was dismissed. There was a dispute between some guys in the community and some of the guys were hanging out under the almond tree near the school gate when they were fired on by their opponents. One of the guys that was under the tree fell and the others fled the scene. Monica wanted to go to render first aid. I had to convince her that it wasn't safe to go out there. She should call the police. That was how caring she was. The students always look forward to her classes. She would always share her childhood experiences with them and there was always an important lesson for them. When she migrated we missed her but she would always come to visit us whenever it was possible. We will surely miss her.

Sophia, Shawn and family members we mourn with you. God will strengthen you and give you the resilience to get through this period.

May her soul rest in peace and light perpetually shine upon her.

“ Darling Aunty Monica,

Our thoughts are with Sophia, Shawn, Aunty Gwendolyn and family at this time.

You, our beautiful Aunty Monica and Uncle Ivan made a lasting positive impression on our lives. We always felt ownership of you and felt blessed to have known you both. To us you were a 'power couple' bound in your faith and devotion as Christians providing inspiration and travelling the world preaching the gospel.

It was a pleasure for the Fenton family to have hosted you whenever you came to England. You used to complain bitterly about your waistline having expanded whenever our mum (Winsome) and Dad (Wilbert) demonstrated their love through their culinary expertise which was always in abundance.

Whenever we came to Jamaica we always felt loved and protected. Your hospitality was legendary. Thank You!

We will always remember you for your unconditional love, kindness, charisma, intelligence, impeccable style, amazing infectious wit and humour which came naturally to you because you were just being your authentic self.

I feel blessed that I was able to reconnect with you in the USA and make sure that you were aware just how much you mean to me. After the transitioning of my mum last year, it is with a very heavy heart that I have to say goodbye to you, from this physical world.

If I could, just like our Kemetite ancestors, I would fill your casket with Julie mangoes, your favourite fruit to nourish you as you journey into the afterlife.

We will continue to honour you as an ancestor. Thank you! Ase! ❤️

Rest in Peace and Power Beautiful Aunty Monica.

“ *My sincere condolences to the family of the late Monica Josephine Brown, popularly known by every member of staff as Monica. A very fun-loving and warm-hearted individual who was always never too busy to share moments of pleasantries with members of staff on a daily basis..*

i remember her stopping by my classroom door in the mornings just to share a joke or two after which we would both burst out into laughter.

Monica was a real fashionista, always wearing well-coordinated colours and designs, but was always the first to compliment others on how gorgeous they looked.

The Mount Salem Primary and Junior High School family was blessed to have had Monica as one of its members.

She certainly lightened our journey with her strength and jovial attributes.

Yet, though strong, death has once again won the battle.

May her soul now, rest in peace and may light perpetual shine upon her.

Goodbye my friend.

“ *Monica, we first met back in 1974 in Montego Bay. Boy, there are some fond memories between me, you, and Nev. Over the last few years, we have had countless weekly conversations and what I will remember the most is how much you loved God, and how much you prayed for better days. You used to pray before we ended all our conversations, and sometimes if you forgot to pray, you would call back just so that we could. I will miss you my friend, but it brings me comfort knowing that your soul is at peace and is in the hands of God. Your light will always remain in the hearts of all those you loved and cared about.*

“ Dear Aunty Monica,
It seemed as though it were yesterday we had sleepovers with the family in Montego-Bay Jamaica. This was indeed one of the highpoints of our early childhood memories when my sister and I would always look forward to every Thursday when we were afforded the opportunity to be with our cousins (Sophie & Shawn), Aunty Monica and Uncle IC. This was home away from home..... Christmas holidays were particularly special when we looked forward to travelling in Auntys "White Escort" to partake in Grandmarket festivities... Aunty always displayed an air of benignity. Her benevolent smile lifted our hearts as we eagerly awaited the dispatching of our gifts on our return from home. Somehow Aunty always got it right and knew what everyone wanted for Christmas! This was quickly reciprocated with a hug of great appreciation from each child. Aunty ensured that we were happy at all times. You could never have differentiated her children from Sharee and I. We were her children too.
M - My motivation. Your strength knew no bounds
O - Optimist. You always looked at the positive side of life.
N- Nifty indeed. We will never forget your impeccable fashion taste.
I- Inspirational. My Mom and Aunty would sit up at nights praying for the family on an individual basis. Yes calling out their names...
C - Caring and selfless....
A - Adorable.
Sleep well Aunty- You fought a good fight and won the race. You left a legacy, you left an indelible mark in our hearts....

“ Those special memories of you will always bring a smile, if I could only bring you back awhile. Then we could sit and talk again just like we used to do. You always meant so much to me and will always be. The fact you are no longer here will always cause me pain but you'll always be in my heart until we meet again.

Monica Josephine Brown; My friend, my confidant, my pal, and irreplaceable bond that has never been shaken for over 40 years. Monica you had an impressible sense of humor. You could fill a room with laughter simple by recalling some everyday joke or saying an offbeat remark. It was for this reason we were captivated and were drawn to you based on your persona. Monica, you were a true believer in God and one who could be described as a prayer warrior.

It gives me a sense of contentedness to be assured that you are resting God's arms.

Rest well, my friend

My friend and mother in law, almost everything reminds me of you. My trips to Broward Fish and Meat will never be the same. Who will I go hunting mangoes for in Mango season? We were so fortunate to have crossed paths with Monica and her family which began some 20 years ago when we invited her and Ivan to speak at a Mayor's Prayer Breakfast. That was in the spring and they were on their way to Toronto from here and snow on the ground- she was dressed for the tropics so I remember giving her my coat. I was so honored to be part of her life in this way. Be blessed Monica - you now are where we all long to be. Eleanor & Don Funk Saskatoon SK Canada
