“ *I had the pleasure of knowing and sharing with Natalie for around twelve years. She was a wonderful and talented person, a great coworker, and a good friend. I'll miss her coming to my office and talking about her beautiful grandchildren. She will be truly missed in our department.*

“ I have known Natalie for many years both when she worked at Broward CI in the library and when she worked at Pompano Community Correctional Center. I spoke with her a couple of days before she passed as I wanted to visit her in the hospital. She told me that she couldn't have visitors and I realized then that she was not doing well at all. I told her that I was praying for her and that Jesus loved her so much and so did I. Her last words to me were "I love you too!" Please accept my sincere condolences for the loss of your dear wife, mother and grandmother. Natalie was a very special soul and will be missed. I am grateful that she touched my life!

“ I had the good fortune of working with Natalie for two years. In that time, she became a very close friend. Appropriately named, she truly was like a ray of "sunshine" to those who knew her. I expect the days ahead to be very difficult knowing my lunch buddy and office confident has passed. I will never forget Natalie, a true and caring friend. I only hope I provided her with just a fraction of the happiness she brought me.

“ Dearest Natalie ~ It was disheartening to hear of your passing. The time we worked together @ BCI left me with funny & happy memories. Your demure & yet bouncy attitude will be missed. Dance with the Angels now, Nat, until we meet again. R I P , Mr. Z

“ Dear Natalie, I am so sorry that you had to leave us so early. You will be greatly missed. I am happy to have known you and for the last lengthy phone conversation we had just a week before you went home to be with our creator. I know for a fact in the way you were treated that you were a loving wife, mother, grandmother, mother-in-law and friend. I recall the time you let your grandchildren draw on you with magic marker - that will always be a fun memory. you laughed and said, "let them enjoy themselves" I also enjoyed your political opinion. our little debate was actually fun because we laughed. I enjoyed our get together at Thanksgiving. I will miss that. So long Natalie, I pray you will find your loved ones who have gone on before you and enjoy their company. we will all meet again one day. With love, Estelle (bubs)

“ I feel like this year I really got to know Natalie, even though they have been a part of our life for over 12 years. I was looking forward to growing old together with her and seeing our grandchildren grow up. She will be greatly missed. I look forward to seeing her in Heaven when I arrive.
