

Corp. Patricia A Denson

April 24, 1972 - August 26, 2020

Patricia Ann Denson, aged 48, died peacefully on August 26, 2020 surrounded by family. She was born to Berry Denson, Sr. and Myrtice Wilcox on April 24, 1972, in Miami, FL.

Patricia is survived by her two daughters, Anita Christy Denson and Angel Selena Denson, her mother Myrtice, her siblings; Berry Denson, Margaret Denson and Carolyn Albritton, her spouse of nine years, Jose Valera and a host of nieces and nephews.

Patricia graduated from Miami Northwestern Senior High Community School on August 16, 1991 before graduating from Miami-Dade College. Patricia served as a Correction Officer for over 20 years. At the end of her illustrious career, Patricia attained a promotion as a Corporal Officer.

Ever since she was a child, Patricia thoroughly enjoyed athletics and the outdoors. She enjoyed skating, bicycling, dancing and listening to Reggae music. She loved driving her truck around Miami, reading Stephen King novels and sitting by the water at Morningside Park reciting her favorite Psalms from the Bible. She enjoyed the company of her daughters more than anything.

She will be greatly missed by her family, friends, acquaintances, and all who knew her. Patricia was hardworking, sensitive and compassionate. She was truly a one of a kind.

Patricia requested a private burial and funeral. Arrangements were provided by Wilcox Family Funeral Home and Godfrey Funeral Home. Online

“ I am extremely broken to hear about your passing. With our years working together in surveillance, we had grown to a family. You were such an inspiration. Threw it all you always remained, humble, and strong. Such a sweet, down to earth, and jolly person. I will always remember the good times. You were always a team player and a caring, and loving supervisor, and that's what I will always hold close to my heart. I will cherish all the good times we had together and my wedding gift. My prayers go out to your family, you will be deeply missed.

“ I am deeply saddened to hear about Cpl. Denson's passing. We worked a number of times together at Ward D and she would just gush on and on about her two beautiful daughters. I remember her being so excited about her eldest getting married and how proud she was of her baby girl. I am praying for strength for the family. May she rest in sweet peace.

“ Auntie Christy, I'm still in disbelief about all of this but I want to say first is that I LOVE YOU!!! And to thank you for ALL of the lessons that you have taught me over the years from a little to a grown man who still admired his Auntie. I will miss you forever and whenever I'm down, I'm going to think on ALL times you bright smile to my face and use that to smile again. I'll do my best to be strong for Anita and Selena but I will ALWAYS be available to/for them whenever they need me.

Thank You for memories you gave us to reminisce upon and to keep us smiling.

“ Lady Denson I remember the first time you worked my unit at MWDC, you came in with that loud whistle closing down the floor. I told myself this lady is crazy. It must have been written all over my face because you looked at me and said " Harris you can get mad but I'm still going to be your friend ". I knew then you were different but yet special. We had lots of great conversations about family over the years. Love ya and R.I.H see you when I get there.
