*Randy & I spoke often. I was so heartbroken to hear that he passed. I have been waiting to see if there would be services planned for him. Such a nice kind hearted soul.*

“ I can't believe I didn't know this ... Randy was an amazing man and an even better friend. After meeting him at the homeless shelter I managed he found himself staying at while he got his life back in order, he was an inspiration to everyone. I even hired him on as a staff member. After leaving the shelter he became a PCA for a WWII veteran who was on our Board and Randy did an outstanding job. I'm going to miss our talks buddy!  
I was so looking forward to you moving back up North too. I will see you when my time comes. - Kevin
