“ Dear Lizzette, Roig and Belogodere families, relatives and friends of Sammy:

In this moment in which you are dealing with the physical lost of Sammy, we all can reflect on God's plan and purpose. Although we cannot control life, we can give a spiritual meaning to Sammy's departure.

These past 2 weeks I have experienced the passing of three more people that I also knew, one of my age-who graduated with me from ASM (both of us took classes with Sammy and Lizzette mother, Mrs. Roig), and two others in their very early thirties. How can we explain all these deaths at, what we can say today, relative and very young ages?

I was thinking that in God great wisdom and love, he let these things happen, so, as the same Jesus said in the Bible, John 12:24, KJV, " Verily, verily, I say unto you, Except a corn of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit".

This is a moment in which these deaths gives us back the notion of how brief life is and how fast times goes by, which in turn may bring ourselves to search for a more profound and deeper relationship with God, so that we may love more His Son Jesus Christ, thru whom forgiveness and salvation where reinstuted to mankind (Redemption).

If these passing's bring us closer to God and motivate us to bring His Good News to others (The Gospel) for Eternal Life, then these deaths are producing plentiful harvest of new lives.

Remember that, as Paul said, Romans 8:28, KJV, " And we know that all things work together for good to them that love God, to them who are the called according to his purpose", and in 1 Corinthians 2:9, "But as it is written, Eye hath not seen, nor ear heard, neither

have entered into the heart of man, the things which God hath prepared for them that love him".

May the Faith (Hebrews 11:1) in God's promises and the Grace of God console you, strengthen you and give you His peace now and always.

“ *Dearest Gail...I am so very sorry for your loss. Sammy was very kind to me. He was always a gentleman and a GREAT Boss. It was very hard to hear he is now with GOD. Sammy was an extraordinary man. Try to think he is with God, and watching over you and your children. I thank him always for helping my family with our autistic son Keanny. He approved for UPS-Puerto Rico to pay of Keanny's speak and occupational therapy's with Triple SSS. Because the therapy's were out of the scope of regular insurance. For that I will be grateful. With a heavy heart we say good-bye to this GREAT Husband-Father-Friend-Boss. May he rest in peace with GOD.*

“ *My condolences for Sammy's family, his sister Lissette and his wife & children whom I never get the chance to meet. We were classmates in Academia Santa Maria ASM class of 1979. I remembered him as a very humble, successful sport young man, very respectful, intelligent and a very good and honest friend. May God gives you the strength to overcome this loss and may he rest in peace in Heaven. He will be miss here on Earth. Hope to see you in the next life!*
