“ *Sam was a great guy who will be missed. He was our neighbor from 1 street over. My husband, John and him loved to talk about the Miami Hurricanes. His beautiful wife, Mary Ann, as he said it, knew more about the players and the stats than he did. You will truly be missed. We were very blessed to have known you and we Thank You for your service.*

“ Will always remember the first time Sam took me small game hunting. I was thrilled, excited & nervous...
However, when i realized Sam only invited me to walk thru the cornfield and flush out the animals, i swore I'd never go with him again! But, the following week we were at it again,
Luv ya Samur older sis. Joey
