

Stephanie R Forman

August 5, 1940 - July 1, 2015

Stephanie R Forman went to sleep and gently departed our world on Wednesday, July 1, 2015. She was surrounded by family and friends when she decided to join her husband, Kenny, parents, aunts, uncles and cousins who went before her. We will all miss her terribly but we know that she is far better off "in the light" than hanging out with us any longer.

Stephanie's strength and courage over the past year and a half is a great example of how she lived her life!

We thank you for visiting this site and please add your own thoughts, photos and memories so we can all be reminded of the great times!

“ *Thank You Stephanie (My Godmother) for Everything, and I mean Everything.*

I am partly, the way I am, because of you, I've never been closed minded about anything, never really thought i was different from any other kid or anybody. I remember when, you asked me what i wanted to do after I graduate from high school, and i said maybe I'll go to community college, you told me no, leave while you can, and while your young, and don't look back, and I've never look back, i only look forward, and I've been out in the world since i was 18.

Thank You for showing me how to fight, you fought cancer like you where going to war, and I'll now apply that strength to my life, and even in the end you taught me a valuable lesson, about courage and strength.

My condolence to the family.

“ It was truly a honor and pleasure to know and love you for so many years. You were always willing to do whatever you could for others. Your door was always open and coffee always on. What a wonderful lady and loving friend you were. You will be missed by so many, but you will be in our hearts forever. I have been blessed to be loved by you and your loving family. I have so many wonderful memories and stories that I will treasure forever, including our last days together. I will always love you like the sister I never had and truly miss you. Thank you for everything. My prayers are with each of you. Love, Sylvia and family.

“ Stephanie, we miss you!

This loss is tremendous for our family..... you were a mother, a grandmother, a friend, a confidant, and an adviser..... the pillar of strength for our family! We know you are in a better place now and will continue to watch over us as we raise our babies. Most of all we will miss our morning phone call with the Brooklyn, "Yello!" on the other end!!

We love you and will think of you every day.

“ Grandma, we miss you but know you are watching us from above with Grandpa Kenny!

We will miss our days off of school with Grandma Stephanie, endless board games where you let us win, encouraging phone calls on the way to practice and of course our guaranteed Dunkin Doughnut visits!

You are forever in our hearts and we will make you proud.

We love you,

Andrew and Samantha

“ Along with the lifetime loss of a best friend, also lost is the action at the Hard Rock, The daily business at the Seminole cigarette drive in and the best fan of Steve's Pizza in Miami. Enjoy an eternity with Kenny.
