“ *As neighbors, we will miss Terry's smile and sense of humor. We had a ritual of late afternoon gathering in our front yard and many times Terry would join us for stories and always lots of laughter. He made fast friends with our little rescue dog, Chester, who he would spoil with cookies. We miss Terry very much and wish his family comfort at this difficult time.*

“ Dear Cousins, I am so sorry to hear about Terry. You all were so much a part of my memories growing up. My fondest memory of Terry is his taste in music. I never hear Steve Wynnwood sing or a Credence Clearwater Revival song that I don't think of Terry. You see, I heard Terry singing their songs first. I can't remember a time I saw him when he wasn't smiling or laughing. I loved his sense of humor. I'm so thankful that our parents and grandparents made sure we spent time together when we were young. It created some very strong bonds that we can now rely on to try to help us through times like this. I love you all very much. Remembering you in prayer.  
Love, Janie

“ Dear Sally, Patti & Gerald,  
I was so very sorry to hear of Terry's passing. I didn't even know he was ill.  
I saw his pictures, & he looked like his life was happy. I hope it was. I remember him in school as being fun to be around with a dry sense of humor. I hope his life was happy.  
I will pray for your comfort. I know this must be very difficult for you. I'm so sorry for your loss.  
Sincerely,  
Fay Carter

“ Dear Sally and Patty I am so sorry this happened to your families. Cancer is the worst illness there is and it seems to hurt everyone with loss of loved ones. My main memories of Terry are of when he was a little boy at Aunt Ada's house in Chickasha. He was the quietest little boy and always playing with his soldiers. Memories are the best thing you have now, share them with each other and your families. You are all in my prayers. Love U All
