“ *My name is Victor Parris, I met Ted in 1991 at Coast Guard Base Miami Beach, we worked together in the procurement department. Ted was a matter of fact in your face individual who spoke his mind and he didn't care what rank you carried. I learned a lot from Ted, he taught me to pick my battles and fight for what I believed in. Ted was also extremely funny and brought a lighter dynamic to a rigid and strict military atmosphere. Ted is a Base Miami Beach legend and will always be remembered. RIP my brother.*
