“ *Very sad to hear of Tom's passing. We shared a lot of shipwreck adventures talking over coffee and breakfast at the Egg and You greasy spoon restaurant. I met Sandy and Tom about 15 years ago. They were once total strangers. They were always quite warm and honorable people who accepted me as a friend. We met frequently at the Egg and You many times. Both of us repeated the old shipwreck stories over and over many times but a good time was had by all, always.. I will miss Tom. There will always be an empty spot in my heart. His adventures and stories will remain with me forever. Sail on my good friend and keep a seat warm for me in the life after so we can continue our stories forever. God Bless*
