“ Victoria Ann Piasecki, first born daughter of the late Eleanora Nancy Piombino and biological father Peter Piasecki, died August 15, 2024 at age 62. Vicky lived her life on her terms, she told jokes and loved to talk on the phone. She found true love with Andrew Hurley who was by her side for over 20 years until her last breath. Andrew called her Pinky because she loved the color pink. Vicky also leaves behind sisters Patricia Rivera, Eleanora Doheny and Gloria Bruno. And Margaret Piasecki, daughter of her biological father. She also leaves behind her Aunt Gloria Gagliardi and several cousins and nieces and nephews.
